Lowering Tax Rate

GST Committee recommends against lowering tax rate on vaccines

The GST Committee has recommended against lowering the tax rate on vaccines from the present 5%. It said that granting complete exemption would result in increased cost of production, because the domestic manufacturers of Covid-19 vaccines would not be able to take ITC for tax paid on their input goods and services

GST Council may correct the inverted duty structure for textiles, footwear industries

Leading to higher refunds, affecting government revenues, the GST Council meeting is expected to take a call on removing the anomaly of inverted duty structures for footwear and textile industries
