# Enforcement updates

# **Belgian Data Protection Watchdog fines IAB Europe for violating Transparency and Consent Framework**

The Belgian Data Protection Authority (DPA) imposed a fine of EUR 250,000 on Interactive Advertising Bureau Europe (IAB Europe) following an investigation. The DPA found the IAB Europe had violated multiple provisions of the GDPR including failing to establish a legal basis for processing, not maintaining record of processing activities, not appointing a DPO etc.

# **Greek Data Protection Watchdog fines OTE Group for failing to implement sufficient security measures**

The Hellenic Data Protection authority (HDPA) levied a fine of EUR 3,250,000 on OTE group in connection with a data breach reported by Cosmote Mobile Telecommunication S.A. The data breach occurred through a website hosted by OTE. Accordingly, HDPA held that OTE group is also liable for failing to implement security measures which resulted in a data breach incident.

# **Turkish Data Protection Authority imposes a fine of TRY 1.9 million for insufficient data security measures**

The Turkish Personal Data Protection Authority (KVKK) imposed a fine of TRY 1.9 million to Yemek Sepeti Elektronik İletişim Perakende Gıda Lojistik for a data breach concerning a web application server within the company. The breach was not reported for 8 days which, as per the KVKK, demonstrated that Yemek Sepeti did not fulfill its obligations to take technical and administrative measures.
